All – Attached are the documents we sent to our Front office for the pre-brief tomorrow.

I would note that we just got PLP's settlement talking points (attached here). My understanding is that Region 10 ORC is considering putting together a response for folks here. I would also note that PLP now seems to be asking for EPA to not rely on the BBWA, withdraw the PD and agree to be bound by the 404(q) MOA in exchange for dismissing the FACA lawsuit only.
